# OUR ORIGINS

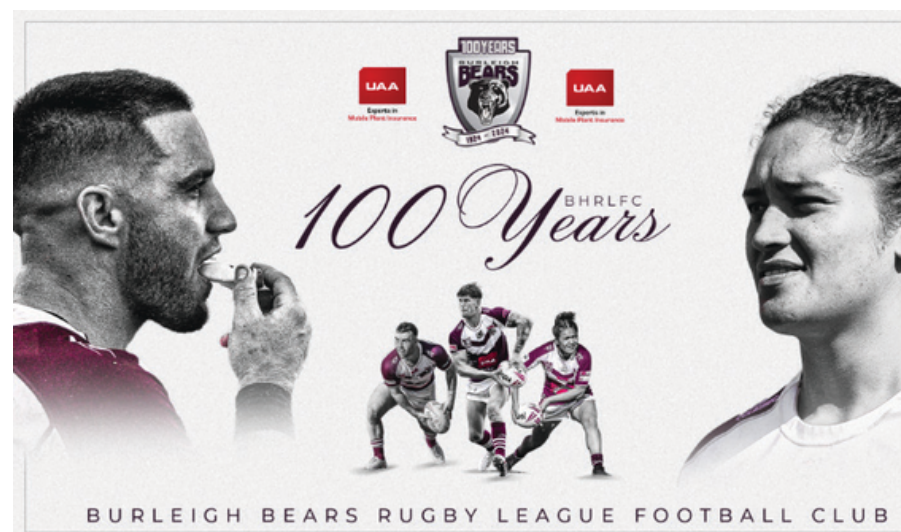

Burleigh Heads Rugby League Football Club was originally formed in 1924, making us one of the oldest Rugby League football clubs on the Gold Coast.

In 1934, Rudd Park was officially announced as our home ground, & in 1971, the club relocated to Pizzey Park, which is still our current home.

The club was founded to field competitive grades in the Gold Coast competition and to provide a social club for the local community.

Today the Burleigh Bears has become the largest senior Rugby League Club in QLD, providing pathways directly into the NRL.

The Club has 6 teams (male & female) that compete in age based & open age State-wide Competitions. While the Club provides opportunities to play at the highest level it also competes in the Gold Coast Competition with teams in A Grade, Reserve Grade & U20s.
